

Schedule of UMEP Course Offerings for Spring, 2021 Semester through Spring, 2022 Semester

SEMESTER	COURSES OFFERED	CLASS MEETING TIMES	PREREQUISITES	INSTRUCTOR
Spring, 2021 (from early January to early May)	Intro to Analysis (Math 4200, 3 credits)	Tuesdays, 4:30-7:00 pm	Completion of Calculus II	Eric Rowley
	Conceptual Calculus I (Math 4910-A, 3 credits)	Tuesdays, 7:15-9:45 PM (tentatively)	Completion of College Algebra and Trigonometry	Eric Rowley
Summer, 2021 (1 st Block from early May to late June)	Tech/Geometry for Teaching (Math 5010, 3 credits)	Mon. & Wed. 4:30-7:00 pm	Completion of a course in Modern Geometry	Shane Brewer
	Applications of Linear Algebra and Differential Equations (Math 4910-LD, 3 credits)	Mon. & Wed. 7:15-9:45 pm	Completion of Calculus II	Shane Brewer
	Probability and Statistics for Secondary Math Teachers (Stat 4010, 3 credits)	Tues. & Thurs. 4:30-7:00 pm	Completion of Calculus I	Amanda Cangelosi
	Methods of Teaching Mathematics in Secondary Schools (Math 4500, 3 credits)	Tues. & Thurs. 7:15-9:45 pm	Completion of Calculus II	Amanda Cangelosi
	Pedagogical Foundations of Algebra (a.k.a. Algebra for Teach) (Math 3010, 3 credits)	Mon. & Wed. 4:30-7:00 PM	Completion of Calculus I	TBD
Summer, 2021 (2 nd Block from late June to early August)	Modern Geometry (a.k.a. Euclidean/Non-Euclidean Geom) (Math 3110, 3 credits)	Tues. & Thurs. 4:30-7:00 pm	Completion of Calculus I	Eric Rowley
	Conceptual Calculus II (Math 4910-B, 3 credits)	Tues. & Thurs. 7:15-9:45 pm	Completion of Calculus I	Eric Rowley
Fall, 2021 (From late August to mid-December)	Conceptual Calculus III (a.k.a. Multivariable Calculus) (Math 4910-C, 3 credits)	Tuesdays, 7:15-9:45 pm	Completion of Calculus II	Eric Rowley
	Algebraic Structures (Math 4310, 3 credits)	Tuesdays, 4:30-7:00 pm	Completion of Calculus I	Eric Rowley
Spring 2022 (From early January to early-May)	Conceptual Calculus I (Math 4910-A, 3 credits)	Tuesdays, 7:15-9:45 pm	Completion of Calculus I	Eric Rowley
	Intro to Analysis (Math 4200, 3 credits)	Tuesdays, 4:30-7:00 pm	Completion of Calculus II	Eric Rowley

Notes:

- Stat 3000, Statistics for Scientists (Calculus-Based Probability and Statistics) is no longer available through UMEP; however it is available as a “regular” USU class in both broadcast and online formats nearly every semester)
- Math 1050, College Algebra, is not available through UMEP; however it is available as a “regular” USU class in both broadcast and online formats nearly every semester)
- Math 1060, Trigonometry, is not available through UMEP; however it is available as a “regular” USU class in both broadcast and online formats every semester)
- Stat 1040, Introduction to Probability and Statistics, is not available through UMEP; however it is available as a “regular” USU class in both broadcast and online formats every semester)
- TEAL 4630, Methods of Teaching Middle Level Mathematics, is not available through UMEP; however it is available as a “regular” USU broadcast class in fall semesters.
